

Silent Blend 800

Description

- Has a high powered and highly efficient 3 HP (38,000 RPM) motor.
- With a power output of 950 watts, this unit is ideal for home use as well as for commercial establishments such as cafes, restaurants & juice bars.
- The heavy duty blades quickly puree and blend even the toughest ingredients.
- The variable speed controls allows you to puree, blend, chop or grind virtually anything ? even ice!
- Its one-touch pre-programmed cycles will save you time and effort.
- 35, 60 & 90 seconds one-touch auto timer with High, Medium, Low & Pulse functions
- Premium quality, virtually unbreakable 1.5 L poly-carbonate jug with stainless steel cutting blades.
- Multi-functional use in both wet and dry application
- The jug is heat-resistant up to 120 Celsius, is easy to handle, virtually unbreakable and extremely easy to clean.
